BACKGROUND TO THE TRAINING & DEVELOPMENT PACKAGE

The Outstanding Teacher Programme is a nationally recognised training package targeted at teachers aspiring to deliver consistently outstanding lessons. The programme is for teachers who are, or have the potential to be outstanding.

The programme empowers teachers to consistently deliver high quality lessons. Through practical and interactive development sessions, delegates will build confidence as they generate ideas and strategies on how to improve their practice.

OUTLINE OF THE TRAINING & DEVELOPMENT PACKAGE

The Secondary programme consists of 6 full day sessions. The first three at Longcroft School & Sixth Form College and the other three at Hornsea School & Language College. These cover elements of outstanding teaching such as: engagement, starter, plenary, assessment, questioning and differentiation.

Delegates have the opportunity to observe high quality live teaching and each session has a clear focus aimed at refreshing professional practice in a supportive environment.

The training is led by two outstanding classroom teachers who are qualified as facilitators to run the programme successfully.
